

## ADVOCACY PLAN

### Construction Product Regulation

<b>What is the issue and why is it important?</b> (max 200 words)			
CPR Revision – the CPR is a piece of Union harmonisation legislation that does not fall under the NLF but has a large impact on standardisation issues.			
<b>Key Orgalim objectives (+ <a href="#">Link to position paper</a>)</b>			
1. Strengthen EU harmonisation			
2. Limit administrative burdens			
3. Advocate improved market surveillance for level playing field			
<b>Institutional Process/Advocacy milestones</b>
